

Pre-submission checklist for the project report

Please check that your work meets the following formal requirements. More information about each requirement is available in the instructions for the project report, available from the course website.

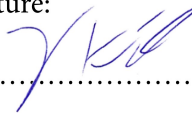

- ☒ *Title page* The first page of my report contains the title of my project as well as my full name, LiU-ID, and course code (732A92 or TDDE16).
- ☒ *Abstract* My report includes a one-paragraph abstract. The length of the abstract does not exceed 250 words. The abstract can be published on the course website.
- ☒ *Length* My report contains between 2,000 and 4,000 words, corresponding to approximately 4–8 pages of single-spaced text.
- ☒ *References* My report contains appropriate references to all sources for ideas, code, or text. I have read the information about plagiarism on the course website.
- ☒ *Proofreading* I have carefully checked my report for errors in grammar and spelling.
